

## Copyright agreement form

### Advances in Systems Science and Applications: A Journal of the IIGSS Transfer of Copyright

Transferring the copyright from author to the publisher (the IIGSS) must be clearly stated in writing so that the publisher can assure maximum dissemination of the author's work. The following agreement, executed and signed by the author, is required with each manuscript submission. If the article is a "work made for hire", it must be signed by the employer. If you wish to have your manuscript considered for publication, please attach this page once it has been completed and signed.

#### Transfer of Copyright Agreement

(Must be signed and returned to the editor of the journal before the manuscript can be considered for publication.)

The article entitled:

(code of the paper: \_\_\_\_\_) is hereby submitted for publication in **Advances in Systems Science and Applications: A Journal of the IIGSS**.

This work has not been published before and is not under consideration for publication in any other journals. It contains no matter that is scandalous, obscene, libelous, or otherwise contrary to law. When the article is accepted for publication, I, as the author, hereby agree to transfer (U.S. Government employees: see bottom of page) to **Advances in Systems Science and Applications** all rights under existing copyright laws except for the following, which the author(s) specifically retain(s):

1. The right to make further copies of all or part of the published article for my use in classroom teaching and for internal distribution within the institution that employs me. I agree that copies made under these circumstances will continue to carry the copyright notice that will appear in the original published work;
2. The right to use all or part of the article content in other works by me and in my further research;
3. The right to posting the accepted version of the manuscript (previous to publication) in my personal webpage and/or institutional repositories without embargo.

I agree to inform my coauthors of the above terms.

I certify that I have obtained written permission for the use of text, tables, and/or illustrations from any copyrighted source(s), and I agree to supply such written permission(s) to **Advances in Systems Science and Applications** upon request.
